

License Information

Thank you for downloading from Pixcrafter!

The license agreement gives you an idea of how to use our resources in various scenarios. Based on your usage, different rules apply.

Any resource downloaded under **Free License** grants you a non-exclusive permission for personal and commercial use with a proper attribution/link back to the relevant resource page or Pixcrafter.com.

For more detailed information on the license, please visit the [licensing page](#) on our website or [contact us](#).

We update our license information on the site from time to time. So, the license info on the site always supersedes this page.

Thank you,

Pixcrafter
